ABOUT OUR SMALL GROUP TOURS

Since each tour is planned with traveler input, your tour may be slightly different. We always add in "off the itinerary" sites of interest. Adjustments may be made for crowd management, weather, special events, or conditions beyond our control.

We travel with 8-16 people. This offers the opportunity to do what we want to do, on our own schedule. We provide all local transportation as well as admission to those sites listed on the itinerary.

Breakfast is included each morning at all hotels and lodges. Additional lunches and dinners are included as shown in the itinerary.

Our guide is with us during the day. Tour leaders are with the group 24/7. Unless otherwise noted, we ask travelers to be ready to go at 9:30 a.m. for a full and active day of touring.

Well before departure date, each traveler is supplied with a "final" detailed itinerary along with a complete and detailed information packet. It has advice on packing, money matters, passports, weather, etc. We make sure travelers are well-prepared.
